

The Vault Is Not Enough

REV. LAMONT

Act 2 Scene 3
HBD

The world is ending, at least as everyone knows it. With the Resonance Virus running rampant among the population and having developed an immunity to earlier cures, an assortment of the elite and those who happened to be near them at the time have been herded into bunkers across the nation. At one such bunker, scientists who were involved in the Resonance Project have been working around the clock on a new cure. As the hospital ward in the underground bunker is sealed, all anyone can pray for is that they will be among those who survive this apocalypse.

"I am the Alpha and the Omega," says the Lord God, "who is, and who was, and who is to come, the Almighty." - Revelation 1:8

As you are ushered into this bunker where the cure for Resonance is to be administered to you and those others whom God had chosen to remain on his Creation, you weep for the fallen, including your own spouse and four children. It is a terrible burden that God has thrust upon you to remain in the aftermath of this great cleansing. To survive and carry on his work amidst the death and destruction of an entire world is a burden such as none since Noah have had to endure.

The faithlessness of the multitudes was a blight before the eyes of God and he has smote the world once more. You mourn for all those who are now damned eternally for their sins, never able to repent and embrace Jesus Christ as their Lord and Savior. Yet you know it is for a greater good; the good of all those who will now come forth across a land made empty and ready for those who have survived. It is your duty to guide them into righteousness. You must save those who have not yet embraced the truth... or see them destroyed. For servants of Satan remain, hidden amongst those whom God has spared.

Now, before the cure is administered, you have time to sort out those who are part of this plan of God, and those who are here to divert it. You must weigh the heart of each man and woman and begin to make plans with the righteous for what is to come next. God has cleared the world and it is up to you and those others who have been saved to learn from the sins of your ancestors and to build something better, more worthy of His praise.
