

AGENT BALE

The Secret Service

GCF

Is Shield here? Where is Shield? POTUS has to remain safe.

You don't matter. The life of any Secret Service agent is expendable. You live to protect. POTUS matters. Or whoever is next in the line of succession. 1) Vice President 2) Speaker of the House 3) President pro tempore of the Senate 4) State 5) Treasury 6) Defense 7) Attorney General 8) Interior 9) Agriculture 10) Commerce 11) Labor 12) Health 13) Housing 14) Transportation 15) Energy 16) Education 17) Veterans Affairs 18) Homeland Security.

There must be a restoration of proper order and that starts with the proper chain of command. If POTUS is no longer alive, then an acting POTUS must be sworn in. If there is no order there is anarchy. If the proper procedure isn't followed, there is no United States. There must and will continue to be a United States. You need to restore the order and protect it. There can be no coup on your watch. Nothing and no one is allowed to stand in the way.
